Dear Hiring Manager,

Please find attached a copy of my resume for the County Manager position in Jefferson County, as advertised on the County's website.

I have 8+ years' experience in budget, financial analysis and reporting, strategic planning, project management, policy analysis and program evaluation; and a proven record of implementing financial and facility management software, streamlining budget and procurement procedures, and establishing best practices in business operations, which led to a \$2M surplus operating budget.

My goal is to leverage my expertise to help Jefferson County Commissioners succeed in achieving the transition to the Commission-Manager form of government by evaluating and making recommendations for improvements to the organization structure, policies, procedures and business methods.

I look forward to hearing from you to discuss this exciting opportunity further.

If you need any additional details from me, please don't hesitate to get in touch.

Yours sincerely,

Brittany Farrior, MBA

Career Accomplishments

- Established best practices in businesss operations, which led to a \$2M surplus operating budget. As a result, created opportunities to generate
 future revenue and increase reserves after several years of operating in the deficit. This also resulted in the Southern Association of Colleges
 and Schools (SACS) accredidation reinstatment.
- Successfully streamlined budget and procurement procedures by creating policies to reduce redundancy and improve transparency and internal
 controls.
- Worked closely with the Director of Facilities, Planning and Construction to finalize the buildout of the new Center for Access and Student Success and move of 200+ occupants into 89,000 square feet building. Planned and coordinated weekly moves of 200+ employees for 3 weeks.
- Achieved promotional advancement twice following superior performance and demonstrated ability to quickly learn and master complex concepts.
- Delivered automated month-end budget reports, improving the month-end closing process efficiently and timely that led to cost savings and a surplus \$2M operating budget.
- Led the implementation of the Workiva cloud software to automate data population, minimize manual data entry and increase accuracy in financial reporting for Florida's 12 public universities.
- Successfully managed the issuance of over \$200M in bonds.
- Managed several multi-million-dollar state-wide capital improvement projects simultaneously for twelve universities.
- Successfully developed an initiative for space utilization (over 4 million net square feet) that provided adequate data in a timely manner to
 assist in the decision making of Space Request, assist with the allocation/re-allocation of space throughout the University; assist leadership
 with setting priorities, establishing standards and providing direction for the responsibilities based on the University's adopted plans, strategic
 objectives, available resources, and its highest and best uses.
 - Consulted with my subordinates to outline the project scope and business and technology requirments; set expectations and goals, due dates and deliverables, to ensure timely completion of projects.

Professional Experience
